### 2017-2018 Lottery Applications for Siblings

IMPORTANT reminder for LNC families who have a child who is NOT currently enrolled but who would like to attend LNC next school year (2017-2018) in grades K-2 and 5-12: Please make sure to complete a lottery application by January 31, 2017. We have a link to the lottery application [here](#) and on our website at [www.lncharter.org](http://www.lncharter.org) under Quick Links. Because you have a student who currently attends our school, any new application would qualify for "sibling preference." If you have any questions about the process, please contact Ms. Sue Scott, LNC registrar, at [lottery@lncharter.org](mailto:lottery@lncharter.org).

## MIDDLE SCHOOL NEWS

### 5th-7th Grade MAP Testing

Students in 5th, 6th and 7th grades will be testing the mornings of Wednesday, December 14 and Thursday, December 15. We are asking for your help in ensuring your child gets a good night's sleep, eats a healthy breakfast, and is on time for school each morning as we will begin testing by 8:15am. Please remind your child to take the test seriously and to do his/her best work.

The MAP is an online test and therefore **your student's iPad is essential** in order to complete the test. Please make sure that both **your student's iPad and keyboard case are fully-charged and that your child brings his or her iPad to school both days**. We do not have enough loaners to provide to students who forget their iPads and there will be no test make-ups.

As always, we appreciate your partnership with us in your child's education. If you have any questions or concerns, please do not hesitate to contact Dr. Graham at [cgraham@lncharter.org](mailto:cgraham@lncharter.org).

### Request for Absence for Valid Educational Opportunity

In order to code an absence as excused (Educational Opportunity), the activity/experience must be directly tied to the North Carolina Core Curriculum for that student's grade level. Parents must provide documentation supporting the correlation between the absence and the NCCC, and requests must be submitted a minimum of ten days prior to the expected absence. Activities such as vacations, family trips, etc. will not be considered an educational opportunity and will be coded unexcused. You can submit an electronic form to submit a request for Absence for Valid Educational Opportunity by following these steps:

- Log into your [Schoolology](#) account
- Click on *Resources* on the top menu
- Choose *Group* from the drop down menu
- On the left side, at the bottom, click on *Lake Norman Charter*
- Click on *Forms and Information*
- Choose *MS Request for Absence for Valid Educational Opportunity*
