

SCHOOL-WIDE NEWS

Invest in Excellence and Rise Together

We are off to a very encouraging start for Rise Together, our capital campaign to build our elementary school. As of yesterday morning, we had received \$445,000 in pledges and gifts with just 26% of our ES parents having returned their pledge cards! If you have not yet, please return your pledge card soon! Next Tuesday we will begin distributing tokens of our appreciation for any family who has returned their card to date. Misplaced your pledge card? No problem. Email Sara Lay at slay@lncharter.org.

Many of our 5th-12th grade parents' decision to support LNC and our Invest in Excellence goals over the holiday break propelled us to the 50% point of our \$215,000 goal. We can't thank those LNC families enough who have prioritized their child's education by supporting their school! We have our architect and contractor lined up to build the HS Student Union and upgrade the Media Center this summer. All that's missing is the second half of the goal - please thoughtfully consider what your student's education at LNC is worth and [give](#) accordingly so that we may continue to improve for our students.

LNC Website

Please be advised that our website provider, Schoolwires, has an issue that is causing all of our events on our calendar to begin at the top of the hour. This means that if there is a meeting that starts at 6:30 or 12:45 it is appearing on our calendar at 6:00 and 12:00. They are working on a fix for this issue and we will notify you once it's corrected. In the meantime, you can select the event on your mobile device or computer and the correct time will appear.
