

SCHOOL-WIDE NEWS

LNCharter Receives National Recognition

We are proud and excited to share that [U.S. News and World Report](#) named Lake Norman Charter High School the seventh best high school in the state and among the top 1% of high schools nationwide in its just-published 2018 Best High Schools report. LNC earned a GOLD medal and was the highest ranking school in the Charlotte area. [Here](#) is the Charlotte Observer's related article. This significant recognition is a strong validation of our teachers' and students' determination and their continued dedication to

excellence! Together with all five stakeholders - students, teachers, parents, board and administration - we can accomplish great things!

Elementary School Ground Breaking

Earlier this week we broke ground on the new Lake Norman Charter Elementary School! Mrs. Stein, Mrs. Holland and Mr. Abel were joined by all those who made this vision possible - our board of directors, former board member and head of the elementary task force, Mr. Bill Farber, Rise Together Champions, ES teachers, other members of LNC administration and Mayor Aneralla, Here we come, August 2019!

We LOVE Volunteers!

THANK YOU to all our parents and grandparents who served the school through volunteering this school year. Please give us the opportunity to show you our appreciation by joining us at a breakfast in your honor. If you have volunteered for LNC in any capacity, we hope to see you and say **THANKS** in person on May 16 at 8:15am in the HS MPR. Can't be there by 8:15am? No problem, the Volunteer Appreciation Breakfast is a casual, drop-in/drop-out event so please join us anytime between 8:15 and 9:15am.

THANK YOU TO OUR
SCHOOL SPONSOR

8th Annual Food Drive for Angels and Sparrows

MS Builders' Club is sponsoring a food drive to support the **Angels and Sparrows Soup Kitchen Summer Lunch Program**. Thousands of brown bag lunches are prepared Monday - Friday each week of the summer and are delivered to needy children in local impoverished neighborhoods. Most of the children who qualify for a free lunch during the school year can no longer depend on that once school is out for the summer. The Angels and Sparrows Soup Kitchen fills this void.

LNC has supported their effort for the past seven years by donating items that help to fill the lunch bags and we look forward to continuing this tradition.

Students are asked to bring in donations to school **May 21 through May 31**:

- **ES** will be collecting fruit snacks/rollups (Kindergarten), cracker/spreadable cheese packs (1st grade), and Nutella with bread sticks (2nd grade)
- **MS** will be collecting fruit cups (5th grade), Lance's crackers (6th grade), pudding cups (7th grade), breakfast bars (8th grade)
- **HS** will be collecting through clubs and will be collecting non-perishable items such as chips, cookies, lunch size Pringles, microwaveable lunch size soups, ravioli, stews, etc.

HS and MS students can drop items off at the designated "drop-off" area inside near the main office on their way to school in the morning. ES students can drop items off in designated boxes in their grade building on their way to their classroom in the morning. Thank you for embracing our efforts to help this nonprofit charity!

Please bring quiet activities for younger children so that all attendees will be able to hear and enjoy this wonderful performance.
