Clearing the Classrooms - Saturday, June 3!

We are requesting volunteers for Saturday morning, June 3, at LNC, from 8:30am until about noon. We need help moving furniture (not heavy) out of MS and HS classrooms to prepare for summer classroom painting and floor waxing. Stay however long you are able to help! This is a great chance for our high school students (this means your current 8th grader!) to get a jump start on their required service hours for the 2017-2018 school year! This is also a great opportunity to wrap up those last Serve10 hours! Use this Sign Up Genius to volunteer: <http://www.signupgenius.com/go/10c0d4eaea728a2fb6-clear1>

Friday, May 26 Early Dismissal

There will be early dismissal for all students on Friday, May 26. MS students dismiss at 11:30am and HS students dismiss at the conclusion of testing.

Through April 30 of this year, 719 of our parents have volunteered over 17,000 hours! What would we have done without those committed parents? Next year we are looking forward to streamlining the Serve10 process and offering even more volunteer opportunities as our elementary school comes online. Below are the volunteers who reached a milestone for the month of April. Please note, this is not a comprehensive list, just those volunteers who achieved these levels in April.

Attention Rising 9th Graders and HS Students Interested in Being Part of a Service Organization at the High School

Please consider joining Key Club next year. If you are not familiar with Key Club, it is a nationally recognized service club, and being a member of the club can provide you with service opportunities and leadership experience. Students are required to perform 50 hours of service work during our Key Club year (starting May, 2017 and ending in early May of 2018- the exact day will be given in August). Fifteen of the fifty hours must be school related or projects posted on Schoology. Documentation forms for your projects must be taken and verified at the time of service; you can find the forms in Schoology group H37BJ-PM274. Parents are not allowed to sign documentation forms unless they are the only point of contact. Get started early; the summer is a great time to get most of your hours completed. Documentation forms are due immediately following service projects. **ALL SUMMER HOURS WILL BE DUE AT OUR FIRST MEETING.** Hours throughout the year will have deadlines each quarter, dates will be stated on the Club application. Applications will be available in the Key Club Schoology group in August and dues (usually around \$20, to pay for national, state, and local dues) will be collected when school starts back in September. If you have questions, please email Mrs. Williams at llwilliams@Incharter.org. Club advisors are Mrs. Williams, Mrs. Marinello, Mrs. Scire, and Ms. Beeker. We look forward to working with you next year!

Final Report Cards

We are quickly approaching the end of the school year. Final report cards of the year are to be mailed on June 14, 2017 to the primary address on file for each student. If you have had a recent address change, please send an email by June 1 with the old AND new addresses to jwolfe@Incharter.org for the MS or jvizard@Incharter.org for the HS. If you require an additional report card copy, please make arrangements by emailing Jane or Jennifer by June 1.

Recycle Your Spirit Wear

As we come to the end of this year, you may be spring cleaning, have a graduate, or your Knights are just outgrowing their LNC gear. Rather than donating your LNC Spirit Wear items to other organizations, why not recycle it back to LNC? We will take all gently used LNC clothing items that you'd like to donate. We will sort and sell the items at a very reduced price for other families to enjoy while also raising money for the PTO! There are collection boxes for your clean, gently worn LNC items in the school offices until the last day of school. Thanks for your donations!

Books for Our Youngest Knights

Thank you to the parents who have been holding on to books meant for the elementary school! You can now drop these books in the big box in the MS main office.

Athletics Booster Club Early Bird Memberships Available Now

Now is the time to buy your Athletics Booster Club 2017-18 membership at Early Bird prices! Not only do members gain admission to all home regular season high school athletic events, your membership fees directly support athletic programs at the middle and high school. Click [here](#) to join.

Early Bird pricing is only available until May 31, 2017. [Forms](#) may be turned into the middle or high school office. Also available for seniors and past alumni are "Knight For Life" memberships; a onetime fee covers admission for life. These are great graduation presents! Email any questions to Incabc@Incharter.org.

Parking Pass Lottery for 2017-2018

High school student parking passes are determined by lottery. Each May, students enter the lottery for a parking pass for the next school year by signing up in the high school office. The last day to sign up is Friday, May 19. The lottery will be held on Wednesday, May 24 and the results posted at the front and back doors near the office by the end of that day. Seniors are given first priority. Then any available spaces will be for juniors (those who are taking CPCC courses are given priority) and then for sophomores. No forms are needed at this time. All forms and payment are due starting August 15. All student handbook eligibility guidelines apply. See student handbook pages 28 and 29.

Attention Parents of Students in the Class of 2018

The College Counseling department needs you to fill out a Parent Brag Sheet to assist counselors and teachers in writing your child's letters of recommendation for college.

Students fill out their own brag sheet through Naviance, but we love getting a

parent's perspective on our students and hearing your stories. Counselors would like these brag sheets completed before the start of summer. You can access the Parent Brag Sheet through this link: <https://goo.gl/forms/LSW6Z3WqyxIFJtZx2>

Class of 2018 Senior Class Trip

Senior Class Council is excited to announce that the Class of 2018 senior class trip will be to Universal Studios in February, 2018.

For the trip to move forward, we need 52 students to make their first deposit by **Wednesday, May 31**, as that is how many students it takes to fill one bus. This deposit of \$150 should be made via personal check payable to Lake Norman Charter. Students will also need to turn in the signed [permission form](#) at this time. If we do not have 52 students signed up by May 31, we will return the checks and will cancel the trip. If we do have enough students to fill the first bus, we will move forward with the trip and deposit the checks. Please have your student turn the deposit in to Ms. McFarland in room 102.

For more students to attend, our next total goal number would be 66 and then 85. If more than 52 students sign up, we will fill additional spots on a first-come first-served basis. Students will need to turn in their permission forms to Ms. McFarland in room 102 to get on the waiting list. We will collect first deposit checks once we know the second bus will be filled.

Detailed information, the permission form, and the payment schedule is available [here](#). If you have any questions or concerns throughout the summer, do not hesitate to contact Senior Class Council Advisors Leslie McFarland or Danielle Derwich.

Galapagos Islands - Spring Break Trip 2018

Off the coast of Ecuador you will find perhaps the most inspiring islands of the world. The Galapagos Islands offer the opportunity to observe many species that you will find nowhere else in the world. We will be exploring the gorgeous turquoise bays where you'll have the chance to snorkel with the Galapagos penguins, sea lions, and many other exciting marine species. You'll have an experience like no other as

you hike up an active volcano, visit the famous giant tortoises, and enjoy the islands' beautiful beaches. Immersed in the Ecuadorian culture, you will have the opportunity to explore the highest capital in the world, Quito, and visit the colorful and vibrant market town of Otavalo. If this sounds like the perfect spring break for you, you can register at eftours.com/1954450YF or contact Brooke Elenbaum (belenbaum@Incharter.org) or Mary Marinello (mmarinello@Incharter.org) with your questions!

Greece - Summer, 2018

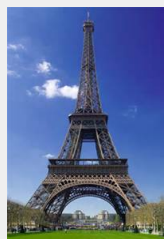

Are you going to be in high school for the 2017-18 school year and are interested in traveling to Greece in June of 2018? The trip is after school is out for the summer and is a 12 day tour of Greece, including time in Athens, Olympia, and Delphi along with a 3 day cruise of Mykonos, Crete, and Santorini. This EF Tour also includes the flight to and from Greece along

with transportation while on tour, all lodging accommodations, guided tours and entry into attractions, breakfast and dinner each night, and a full time tour director. Visit our tour website at www.eftours.com/1954542dy and contact Ms. McFarland at lmcfarland@Incharter.org for questions.

Paris/Barcelona Spring Break 2018

If you are or will be a high school student next year, you are invited to sign up for the Spring Break trip to Paris and Barcelona. We have a few spots left on this trip and would love to round out the group before the end of the school year. With these EF Tour Trips, you get TONS for your money and see much more than you would be able to on your own. These are also study tours, so there is the opportunity to learn AND sightsee. Please contact Mrs. Davis (aka Ms. McDaniel) at the HS for more information or visit the [tour link](#) and find out more.

MIDDLE SCHOOL NEWS

Week of May 22, 2017

Due to state requirements, the middle school will now conduct full days of school

during EOG testing week to ensure that all students have the opportunity to complete their state exams. Therefore, next Tuesday-Thursday, May 23-25, students will be dismissed at regular time (3:00pm). Most students complete their exams by the midpoint of the day, however we are still required to comply with these state requirements. This only applies to the middle school. The revised school calendar is [attached](#) for your convenience.

Remember, it is the parent's option to check-out his or her student once testing is complete. However, please know that we will not be able to release any student until regular testing administration is complete (APPROXIMATELY 4 hours from start of exam or ABOUT 12:30pm). If you are not planning to pick your child up early, please plan to send a lunch.

EOG and EOC Tests

Students in the middle school will take the EOG and EOC tests during the week of May 22-26. The schedule of EOG tests is below. We would like to remind parents that it is very important that all students arrive to school on time each day and are ready for testing with two #2 pencils. To help prepare your students for the exams, it is critical for them to have a nutritious dinner, a good night's sleep, and a complete breakfast the morning of testing.

Food Collection for Angels and Sparrows Soup Kitchen Summer Brown Bag Lunches

During May we think of flowers blooming and the beauty of nature waking up after a long winter. As summer rolls around we herald the freedom, the sunshine and lazy days ahead. Sadly though, some kids go hungry without the routine of receiving a school lunch. Our local Angels and Sparrows Soup Kitchen has been coming to the rescue for several years now by providing brown bag lunches for children in need in our surrounding neighborhoods. Five days a week throughout the summer, they make deliveries to waiting children. Lake Norman Charter School has supported their effort every year by donating items that help to fill the lunch bags. During the week of EOG's and the following week, from May 22-May 31, students are asked to bring in donations by grade level:

- 5th Grade** - Fruit cups or applesauce
- 6th Grade** - Individually wrapped packages of Lance Crackers
- 7th Grade** - Pudding cups
- 8th Grade** - Breakfast bars

Please consider making a contribution. All items may be dropped off in the big black bins outside the main office. It's a great time for students to participate because they do not have to worry about carrying books back and forth during the EOG week. Contact Mrs. Bogarad for details.
