Leadership at LNC

"Together we learn, lead and serve" is our motto and it is incumbent that we live it by providing our students with opportunities to learn and develop leadership skills. Please [READ ON](#) to see how that is being achieved at each of our three schools.

Clear The Classrooms

Parents and students, we need your help! We are looking for volunteers Saturday, June 2 8:30am-12:30pm. We need help moving furniture (not heavy) out of MS and HS classrooms to prepare for summer classroom painting and floor waxing. This day of service has become a tradition at LNC and

work performed has become very valuable for our facilities staff. This is a great way to get a jump start on your family's Serve10 and HS community service hours for next year! Please [click here](#) to sign up and thank you in advance for your help.

Thank You Volunteers!

We so enjoyed honoring and visiting with some of our most invested volunteers this past Wednesday at our annual Volunteer Appreciation Breakfast. While we understand our parents do not volunteer to be recognized, our entire staff appreciates the opportunity to show our gratitude by providing a breakfast each year. If you couldn't make it on Wednesday, please know how grateful we are for all of your service. Next week we will be sending a small token of our big appreciation to all volunteers who gave at least 10 hours of Serve 10 time from June 1, 2017 through April 30.

8th Annual Food Drive for Angels and Sparrows

MS Builders' Club is sponsoring a food drive to support the **Angels and Sparrows Soup Kitchen Summer Lunch Program**. Thousands of brown bag lunches are prepared Monday - Friday each week of the summer and are delivered to needy children in local impoverished neighborhoods. Most of the children who qualify for a free lunch during the school year can no longer depend on that once school is out for the summer. The Angels and Sparrows Soup Kitchen fills this void.

LNC has supported their effort for the past seven years by donating items that help to fill the lunch bags and we look forward to continuing this tradition. Students are asked to bring in donations to school **May 21 through May 31**:

- **ES** will be collecting fruit snacks/rollups (Kindergarten), cracker/spreadable cheese packs (1st grade), and Nutella with bread sticks (2nd grade)
- **MS** will be collecting fruit cups (5th grade), Lance's crackers (6th grade), pudding cups (7th grade), breakfast bars (8th grade)
- **HS** will be collecting through clubs and will be collecting non-perishable items such as chips, cookies, lunch size Pringles, microwaveable lunch size soups, ravioli, stews, etc.

HS and MS students can drop items off at the designated "drop-off" area inside near the main office on their way to school in the morning. ES students can drop items off in designated boxes in their grade building on their way to their classroom in the morning. Thank you for embracing our efforts to help this nonprofit charity!

LNC Annual Concert on the Green

LNC Band cordially invites you to their annual Concert on the Green **TONIGHT** May 18 @ 6:30pm. Due to wet fields and possible inclement weather the concert has been moved indoors to the HS gym. Food vendors are still expected for dinner options (this could potentially be affected by severe weather). The LNC bands look forward to sharing their musical talents with you all!
