2017 TWO NORTH CAROLINA THEATRE  
CONFERENCE ONE ACT PRODUCTIONS

Our award-winning LNC Theatre Department announces its fall performance of [Wiley and the Hairy Man](#) and "H-O-N-K" debuting on Friday, October 13 @ 6:30pm with additional performances on Saturday, October 14, Friday, October 19 and Saturday, October 20, same time. The performances are at our high school MPR (multipurpose room). The plays are family-friendly, rated 7 years and up (due to the Hairy Man being potentially frightening to younger audiences) and we encourage our elementary families to attend! Tickets are \$5 for students and \$10 for adults and can be purchased at the door, which opens at 6:00pm for all four shows.

### LNC Takes the Million Pop Top Challenge

All three schools are participating in the Million Pop Tab Collection Challenge benefiting the Ronald McDonald House in Charlotte. By next May our goal is to collect 1,000,000 tabs which will weigh about 1,000 pounds and will help the Charlotte facility continue their mission of providing a home-away-from-home for parents while their child is receiving critical hospital care. HS students can bring their pop tabs to

any one of their teachers who all have been provided with bags for this purpose. MS students should bring their tabs to their homeroom teacher's collection container. ES students should also bring the tabs to their homeroom teachers. Tell your friends, tell your neighbors, tell your family - every tab counts.

### MR. MICHAEL PORTER

Mr. Porter's hometown is Tiffin, Ohio and his alma mater is Heidelberg University. Mr. Porter's favorite school memories include participating in athletics and the time spent and bonds made with teammates and friends especially the annual week-long basketball camp every summer that also included time at the beach with all his teammates and coaches. When asked why he went into counseling he replies, "During college I majored in child and adolescent psychology and worked with the youth programs (ages 5-18) at the local YMCA. The years spent at the YMCA and my own personal experience highlighted the lack of positive male role models in the lives of so many youths. It made me want to be that positive male role model which then led me to pursue a career working with youth. After interning at a local high school with a

counselor I realized the potential for impact this position holds." Mr. Porter chose LNC because he witnessed the sense of community here and wanted to be a part of it. In closing, Mr. Porter adds, "I would like to thank the faculty, students, and parents for welcoming me to the LNC family!"

### MS. JENNIFER BISH

Ms. Bish hails from Flint, Michigan and earned her B.A. at Kalamazoo College. She later went on to receive her master's degree in education from George Mason University in Virginia. She has many fond memories of school, however a few that stand out are singing Señor Don Gato in elementary music class and graduation. One not-so-great memory is her experience from 6th grade writing poetry in her language arts class! Ms. Bish says one of her favorite things about working with middle school students is helping them resolve tough issues and recognizing their strength and capacity in any situation. She feels that this is such an important part of being successful in school and life in general. Ms. Bish says, "I chose LNC because the motto of Learn-Lead-Serve speaks to me. I admire the work our staff and students do to ensure our school practices exemplify these principles. Proud to be part of it and so excited to be a new member of the LNC family - go Knights!"
