Special Lobby Experience with doors opening at 6:00 PM

FRI | 10.13 & 10.20 | 6:30PM

SAT | 10.14 & 10.21 | 6:30PM

2017 TWO NORTH CAROLINA THEATRE
CONFERENCE ONE ACT PRODUCTIONS

Our award-winning LNC Theatre Department announces its fall performance of [Wiley and the Hairy Man](#) and "H-O-N-K" debuting on Friday, October 13 @ 6:30pm with additional performances on Saturday, October 14, Friday, October 19 and Saturday, October 20, same time. The performances are at our high school MPR (multipurpose room). The plays are family-friendly, rated 7 years and up (due to the Hairy Man being potentially frightening to younger audiences) and we encourage our elementary families to attend! Tickets are \$5 for students and \$10 for adults and can be purchased at the door, which opens at 6:00pm for all four shows.

School Holiday October 9

There is no school for students on Monday, October 9. LNC staff is participating in professional development activities on that day.

Thank You Parents and Volunteers!

A huge THANK YOU to the parents and volunteers who donated their time, food and treats for the staff today. All of the teachers and staff enjoyed the delicious baked potatoes, salads and treats. We appreciate your support!

Bring in Your Boxtops for Education

Turning in Boxtops for Education is an easy way to support LNC! The next submission is at the end of October, so please turn your Boxtops in, because they DO expire! There are collection boxes in each school office; students can bring them to the office or give them to their homeroom teachers.

(MS gym)

October 11

HS PSAT, 7:45am

MEET OUR NEW ADMINISTRATORS

This year we welcomed two new administrators to LNC, Mr. Marcus Funchess, assistant principal at the high school and Mr. Brian Bauer, assistant principal at the middle school. Last May, Ms. Hayley Wilson joined our team of administrators as LNC's new business director.

MR. MARCUS FUNCHESS

Mr. Funchess' roots extend to both Rocky Mount and Durham North Carolina. He attended both NC Central University and NC State University. When asked about a fond school memory Mr. Funchess responds: "Ms. Moose was my 11th grade English teacher at the NC School of Science and Math (yes, Mr. Funchess is an alumnus of NCSSM!) and what stuck with me was her passion for her students. I really enjoyed being in her class because she made me feel like I was a really good English student even though I did not see that subject as one of my strengths." Mr. Funchess chose to enter education because he enjoys being able to help kids realize their full potential. Mr. Funchess sees his move to LNC as an opportunity to grow and is extremely happy to be here as we are to

have him!

MR. BRIAN BAUER

Mr. Bauer grew up in Rockville, Maryland and is a proud alumnus of East Carolina University in Greenville, North Carolina. Some of his favorite school memories include government class in high school, his first tackle in a varsity football game, field days and PE classes and his 6th grade camp which lasted five days! Mr. Bauer says, "I love working with kids. I have been a coach since I was a teenager. My role in education gives me the opportunity to play an important part in ensuring that ALL students get the quality education they deserve in the safest, most comfortable environment possible." Mr. Bauer says it wasn't a hard choice to come to LNC: "There's no place I would rather be. In many ways, I feel like I've been here for years. I have been welcomed with open arms by all stakeholders. The students and teachers continue to build a family culture second to none. Our staff works very well together as a team at every level. At the middle school I have the opportunity to learn from an exceptionally talented principal who always acts in the best interest of children. We all benefit from the tremendous support from Superintendent Stein and our School Board. It's also a big win for me to bring my own son to LNC in a few years. My daily mission is to make my presence an equal win for LNC."

[More upcoming events](#)

Ms. Wilson hails from Simpsonville, South Carolina by way of Nottingham, England. Her alma mater is the University of South Carolina. When asked about her favorite school memory she responds, "Growing up I always loved counting money and I vividly remember my dad calling me his little bean counter. I had the opportunity my junior and senior years of high school to take accounting classes which I thoroughly enjoyed. That opportunity planted the seed for the career path I would choose later in life." Ms. Wilson began her accounting career working for a small audit firm that specialized in school districts. Once she left the audit world, she was able to make a seamless transition into school district

finance. "I truly have a passion for education, and in my role I am able to indirectly help students achieve their full potential by making sure that we are able to afford the resources needed." LNC was the lucky beneficiary when Ms. Wilson and her family relocated to the Charlotte area. She knew she wanted to continue working for a school and LNC's culture, values and leadership were exactly what she was looking for. She adds, "Working for LNC and becoming a part of the Knights family has truly been a privilege. I am honored to be a part of this amazing team."
