

# LNC DUAL DROP OFF (BOTH HS & MS STUDENTS) CARPOOL MAP (AM Drop-off and PM Pick-up)

Vehicles with **BOTH** HS and MS students in their carpools have two options in the morning for drop-off:

-  **MORNING DROP-OFF OPTION #1** – Enter through Verhoeff Drive entrance, choose the left lane and proceed to the Dual Drop-off point, releasing your HS students from the car when signaled to do so by carpool staff. Proceed around track with your remaining MS students to the MS drop-off. If using Verhoeff Drive exit, continue straight from MS drop-off point to the main campus drive and wait until you are signaled by carpool staff to turn left toward HS. Use lanes 3 or 4 (thru lanes) as you carefully proceed past the high school, being attentive to carpool staff's directions as we have many students using crosswalks. If you are using the Old Statesville Road exit turn right on the main campus drive (for left/north bound Old Statesville Road) or turn right and proceed through the MS parking lot (for right/south bound Old Statesville Road).
-  **MORNING DROP-OFF OPTION #2 – 7:30 AM OR LATER ONLY** - Enter via Old Statesville Road, **RIGHT TURN ONLY. NO VEHICLES MAY TURN LEFT INTO CAMPUS FROM OLD STATESVILLE RD./HWY 115.** Proceed using either lane to the HS drop-off point where you will release **BOTH** your HS & MS students. Your MS students will then make their way to the supervised crosswalk and onto the MS. Exit using Verhoeff Drive.
-  **AFTERNOON PICK-UP** - Enter through Verhoeff Drive entrance, proceed past the high school and follow traffic around the track to MS pick-up point. **IF you arrive before 3:10 PM your HS student may walk to your car. If you arrive after 3:10 PM your HS student should wait at the HS for you to pick him/her up.** Exit via Verhoeff Drive or Old Statesville Road. If using Verhoeff Drive exit continue straight from pick-up point to the main campus drive and wait until you are signaled by carpool staff to turn left toward HS. If you are using the Old Statesville Road exit, turn right at the MS parking lot and carefully proceed through it to Old Statesville Road. **ALL AFTERNOON DRIVERS EXITING ON OLD STATESVILLE ROAD MUST TURN RIGHT.** Any MS student walking to the HS in the afternoon **MUST** have a walker pass clearly displayed.
