(AM Drop-off Only—No PM Pick-up)

NO LEFT TURN INTO CAMPUS

➔ Enter via Old Statesville Road, **RIGHT TURN ONLY**. **NO VEHICLES MAY TURN LEFT INTO CAMPUS FROM OLD STATESVILLE RD./HWY 115.** Choose the right lane and take an almost immediate right turn into the parking lot in front of the HS gym. Carefully proceed to the shuttle bus drop-off point, located directly in front of the gym lobby, where the Olympic shuttle bus will be parked. Drop-off your ES student here along with any MS or HS student(s). (HS students will proceed to their building and MS students will proceed to the supervised crosswalk and on to the MS.) Once you have dropped off your student(s), carefully proceed through the parking lot and past the HS using either lane 3 or 4 (thru lanes), being attentive to carpool staff's directions as we have many students using crosswalks. Exit to Verhoeff Drive. The shuttle departs campus for the elementary school at 8:00am each school day.
