

A Note from the Elementary School PTO President

Welcome to Lake Norman Charter; we are so happy that you are here! The LNC PTO is an active organization of parents who engage in a variety of activities and events to support our amazing staff and students.

As a parent of an LNC student, you are also a part of the PTO... **Congratulations!!** There will be various opportunities to lend a hand by volunteering at the Elementary School. In addition to being able to meet and get better acquainted with staff and other parents, it's always fun to see our students flourish within their school environment.

If you find that you have a passion for helping within the school and are interested in becoming more involved, please complete this brief survey to request additional information about many of our PTO volunteer opportunities. <https://forms.gle/n2thyRRqBJ3v7rpMA>

As parents, we understand the need to stay connected during the school year. To address this need, the PTO sponsors a Lake Norman Charter (LNC) Family Directory. You can request access to the directory via <https://lakenormanpto.membershiptoolkit.com>. **Although you can create your profile now, your viewing access will not be granted until the 1st week in June.** Once you are approved, you will receive email confirmation that you can begin using the directory. If you choose to participate, you will be able to utilize the LNC Family Directory as a helpful resource to coordinate neighborhood carpools, meet parents, plan birthday parties, and much more.

Family participation has always contributed to the success of Lake Norman Charter. We depend upon the support of our families to continue our success! We **THANK YOU** in advance for ensuring that we continue to thrive.

Again, Welcome to LNC!

Sincerely,

Nikki Lowe | ES PTO President
