Dear [Insert name],

On behalf of the students, families, and staff at Lake Norman Charter Elementary School, I am requesting a donation to our Rise Together Capital Campaign to raise funds to build a new elementary school. My [son/daughter] is in [Kindergarten/1st grade/2nd grade], and the wonderful community of educators at LNC is providing [him/her] with an exceptional educational experience similar to what is offered by private schools. **Lake Norman Charter's mission is to prepare students to be community leaders demonstrating personal integrity with a life-long desire to learn, lead and serve.**

Our LNC students are not funded the same as other students. We receive no capital funding from the state for things like buildings and other facilities, which means we must do more with less. I ask that you consider supporting The Rise Together Building Campaign. Our goal is to raise \$1,000,000 by the end of February, so we can break ground in June 2018 and move into our new school building in August 2019.

Our new building will provide:

- Classroom spaces that are nearly double the current size-from 425 sq ft to 750 sq ft
- Gymnasium with stage
- Large student commons area for lunch and community gatherings
- Central grade-level specific learning areas
- Students will all be under one, secure roof instead of multiple portables

Lake Norman Charter is a 501(c)(3) nonprofit organization, and all donations are tax deductible. By contributing, you will be helping build an environment where hundreds of students in the community each year are empowered and encouraged to realize their potential, own their academic success, and grow to excel as productive members of the business community and, perhaps more importantly, society at large.

My family has committed to a donation of [\$] to the Rise Together Building Campaign. I know we can meet this goal with your support. **Would you consider making a donation and matching my contribution?** Thank you for considering partnering with us to help us reach this goal.

Thank you in advance for your kindness and generosity.

Sincerely,
