

Do you work for a company that matches your donation to LNC?

Every year LNC receives thousands of dollars in matching funds. OUR LNC parents working at the companies listed below are eligible for matching funds, meaning you can DOUBLE your impact towards this campaign and the match count towards your campaign incentives! Please contact your HR department if you have any questions about your company's matching funds process. Does your company match and isn't on this list? Please let us know! Email Michelle Negrete at mnegrete@lncharter.org.

If your company does not offer this benefit, don't hesitate to ask if they would be willing to match your donation to LNC and this important and exciting campaign. You may be surprised! Click [HERE](#) for a sample letter that you can take to your employer to ask them to consider matching your contribution. Thank you for your support in Elevating LNC!
