

Together we learn, lead and serve  
[www.LNCHARTER.org](http://www.LNCHARTER.org)

Dear LNC Parents,

This afternoon Governor Cooper announced that all North Carolina public schools will remain closed through Friday, May 15. While this is dismaying news for all of us, the decision is not surprising considering our nation's goal of mitigating the COVID-19 situation. At LNC, we will continue to leverage E-Learning/Distance Learning until that point. Our Spring Break remains April 10-17.

Please be reminded to go to the [LNC COVID-19 Response FAQs](#) first for answers to your questions. If your question is not addressed in the FAQs, please use the [LNC COVID-19 Response Questionnaire](#) link to submit your question to ensure it is directed to the correct staff member. In the next couple of days, we will provide a table of impacted events and their status for our families' reference. We are also working with the PTO to determine how and when we can get our families refunds for any lunches they may have purchased and not been able to use for both this current lunch cycle and the final lunch cycle of the year.

Let's all continue to support our students and their teachers as we get through this together. You can expect us to continue to promote academic growth and progress balanced with a good dose of flexibility and understanding of our families' unique situations. It is my strong hope that we can return on Monday, May 18 to have time to host some of those important end-of-year activities that will help our students, particularly our Seniors, to have some closure to what has been an unusual year and celebrate together that we are on the "other side" of this crisis.

Sincerely,

Shannon Stein, Superintendent
