

Together we learn, lead and serve

www.LNCharter.org

Dear Parents,

Last Thursday evening the LNC Board of Directors approved a new version of our [2020-2021 school year calendar](#). Due to recent state requirements ([State Bill 704](#)) to address the educational impacts from the pandemic, it was necessary to adjust our school year calendar. Please be sure to replace the former version with this updated one. Please note, the first and last day of school dates as well as all holidays are unchanged. The most significant change is that our elementary school will also participate in remote learning in 2020-2021 versus half days of in-person school.

Additionally, many of our school events are now on our [master calendar](#), also found on our website. We will continue to add to this calendar as events become known. Please remember that these dates are fluid, particularly this year as the pandemic effects continue to unfold.

Finally, remember that this week we are offering end of the year virtual Coffee Chats for each school. We will broadcast these chats live over Periscope and parents can access them by going to the LNC2Parent group in Schoology and clicking the link on the appropriate time day listed below. The sessions will be archived and available through that same link if you are unable to watch "live."

- ES Coffee Chat – Tuesday, June 9 @ 9AM
- HS Coffee Chat – Wednesday, June 10 @ 9AM
- MS Coffee Chat – Thursday, June 11 @ 9AM

If you would like to submit a question for your building principal or Superintendent Stein to answer, please use the appropriate link below:

[Submit an ES Question](#)

[Submit a HS Question](#)

[Submit a MS Question](#)

Sincerely,

A handwritten signature in black ink that reads "Shannon Stein". The signature is written in a cursive, slightly slanted style.

Shannon Stein, Superintendent
