LNCharter HS Schoology Group Codes

What is Schoology and why do we use it?

Schoology is our learning management system that allows us to collaborate between teachers, students, parents and LNC administration. LNC asks each HS parent to join the **LNC2HSP** group and your student's **Class Of** group in order to stay connected with any information pertaining to your student. The HSP2P group is designed for parents to communicate with one another and is optional for you to join.

To join a group, on a computer, go to groups, click on "My Group" in the top right corner, click on "Join Group" on the right side, enter the access code below and join.

To leave a group, on a computer, go to the group, scroll down, and on the left side select "Leave this group"

Group Name	Access Code	Purpose
Class of 2022	XNJT5-RFDPB	News and announcements pertinent to students and parents in this class
Class of 2023	H7WS5-WBT97	News and announcements pertinent to students and parents in this class
Class of 2024	FPP3V-8F3GP	News and announcements pertinent to students and parents in this class
Class of 2025	HKKHW-Q764P	News and announcements pertinent to students and parents in this class
LNC 2 HSP	M4XT8-Q43FD	School-initiated news and posts relevant to HS parents
HS Parent 2 Parent	M2C8-GS88-RMX5X	A place for HS parents to connect and network with each other about carpool, athletic events, etc.

Once you have joined the group please set your notifications according to your preference. Unsure of what each checkbox means? Email and/or mobile notifications are received when the following occur:

Notification Setting	Purpose
Group update posted	When a post is made to that group (*highly recommended for LNC2HSP*)
Group comments on updates or discussions	When a comment is added to a post made in that group
Comments on my post	When a comment is added to a post created by you
Group content created	When someone creates content such as albums, resources or adds to the Schoology calendar
